Everlast Productions' Miami Lingerie Fashion Show

Everlast productions pulls out all the stops when it comes to putting on a lingerie fashion show. From intricate staging, lighting and camera placement, there is a lot of prep work that goes on behind the scenes. Miami is a hot location and the show was just as hot. Lots of unique patterns, textures and bright bold colours dominated the lingerie collection. Skirts, robes, shawls and capes played a significant role through out the show as did traditional accessories. Threatening, overcast clouds held out to everyone's delight and the outdoor show went off without a hitch. Enjoy!.
